BROOKLYN ADVERTISEMENTS.

A MUSICAL THANKSGIVING

is a treat to your friends that formerly required the presence of a trained musician, but the advent of the

"IDEAL" PLAYERPIANO

has placed the delights of music within the reach of all, irrespective of a musical education.

The Playerpiano is destined to replace the majority of pianos now in use.

WHY?

because, in addition to BEING a piano, playable by hand, it contains in its case our improved player mechanism enabling anyone to play, with the desired expression, his favorite selections.

This is the Reason

that those owning pianos they can't use, are going to take advantage of the opportunity to exchange them for "IDEALS," on which they can play anything.

Price, \$550 and upward

Music Cost Insignificant

Owners of "Ideals" have access to our library containing over 10,000 selections, exchanging music rolls at 5c. each.
